IMPORTANT NOTICE

As most of you know, the cost of living is gradually moving upward, showing a slight upward trend each month. This means every penny saved in your food bill is most important. Our prices have always been figured on the closest possible margin, and our principal aim is to save you money on quality merchandise.

We have decided that we will discontinue giving 'S&H' Green Stamps as of September 1st. We have made this decision for the one and only reason of passing on to you in the price of our goods the amount we have to pay for the stamps. Many of our customers save these stamps and get valuable premiums. But as of September 1st, we will readjust our prices to pass on to you the cost of the Green Stamp. This will make our prices truly rock-bottom on every item.

In order to give our customers who save Green Stamps a chance to fill out their stamp books,

Tuesday & Wednesday, Aug. 30-31

DOUBLE STAMP DAYS

This will be your chance to fill out your stamp books.
Watch next week's paper for a listing of new savings to you.

BOY, 13, STRANGLES

Lancaster, Pa.- Larry George Wealand, 13, was found slumped over the edge of his bed with one end of a belt tied to a metal rod at the head of the bed and the other end looped around his neck. Wealand was sitting on his bed fashioning a support out of copper wire with which to hold a harmonica to his mouth and free both hands to play a guitar. It is believed the mattress slipped off the edge of the bed, carrying the youth with it and causing the belt to tighten around his neck, strangling him to death.
